

ANJA PLEMENITAS

WEB DEVELOPER

ABOUT ME

- Seeking position in web development.
- Knowledge of HTML, CSS, Javascript, Ruby, Rails and actively learning React and strengthening my skills in JavaScript.
- Completed a full-stack web development course at LeWagon London.
- Self-motivated, highly organized, and perform multiple tasks under minimal supervision.
- Strong track record of quickly learning and adapting to new and complex situations.
- Eager to leverage a diverse range of talents in a new and engaging professional setting.
- Committed to lifelong learning and professional development.
- I have experience in reducing waste which I implemented and it was always a topic in my previous culinary work.

EDUCATION

Web Development

Le Wagon, London | Jan 2022 - Mar 2022

Studied full-time to complete a full-stack web development course with the following learning modules: HTML, CSS, Javascript, Ruby and Ruby on Rails.

Completing projects using ruby on rails.

University of fine arts education

University of Maribor, Slovenia | 2012-2016
